## BACKGROUND OF ICASA

The International Conference on AIDS and Sexually Transmitted Infections in Africa (ICASA) is a major and only bilingual international AIDS conference which takes place in Africa. It is a biennial conference which alternates between Anglophone and Francophone African countries. ICASA has been organized since 1990 to mitigate the impact of HIV/AIDS through an African continent free of HIV, Tuberculosis and Malaria and the debilitating effects which these diseases have on our communities, where there is no stigma and discrimination against PLHIV and their families, and where social justice and equity to accessing treatment prevails. So far ICASA has been hosted in (14) fourteen countries with more than 100,000 direct participants. The last ICASA was hosted in Abidjan, Côte d'Ivoire in 2017 with 6030 delegates in attendance, 2327 selected abstracts and a total of 1588 scholarships awarded of which 901 were awarded from the ICASA International Secretariat and 687 from the Host Country.

ICASA 2019 Rwanda will be an excellent opportunity to promote inter-sectoral achievements in the AIDS response and to strengthen the partnership among Governments, Civil Societies, and Development Partners towards 90-90-90 and ending AIDS in 2030. ICASA 2019 is expected to convene more than 10,000 delegates from nearly 150 countries, including more than 200 journalists around the globe. The conference will be held from 2nd to 7th December 2019 in Kigali Convention Centre, Rwanda. Society for AIDS in Africa (SAA), the organiser of ICASA, with more than 5,000 membership in 56 countries, is organizing ICASA 2019 in collaboration with the Government of Rwanda, jointly with international and local partners.

## PURPOSE FOR THE DESIGN

After the selection of Rwanda to host ICASA 2019, the organisers of ICASA with an all-inclusive approach are calling for a bid to design the bag of the 20th edition of ICASA. The conference organisers are looking for a conference bag design that will be unique, demonstrated innovation with an African touch and a bag that will make ICASA participants proud to carry beyond the conference.
