

# ICASA 2021 SESSIONS LISTING

TIME	ROOM	SESSION TITLE
<b>MONDAY, 6 DECEMBER, 2021</b>		
09:45 - 10:30	100 Capacity Room	JSI: Putting people at the center: Designing, implementing, and measuring impact of person-centered HIV care. - <b>Satellite Symposia</b>
09:45 - 10:30	300 Capacity Room	Global Antibiotic Research and Development Partnership: Addressing STIs through innovation Challenges for STI control and new technology and strategies to overcome those challenges- <b>Satellite Symposia</b>
09:45 - 10:30	500 Capacity Room	UNFPA GHANA: Delivering Comprehensive SRHR services for marginalised groups in the context of COVID19 Pandemic - <b>Satellite Symposia</b>
09:45 - 10:30	600 Capacity Room	UNICEF: Scaling up Innovative HIV diagnostic in Children. - <b>Satellite Symposia</b>
10:45 - 11:25	100 Capacity Room	PSI: Clinical Science, Treatment and Care - <b>Satellite Symposia</b>
10:45 - 11:25	300 Capacity Room	Global Antibiotic Research and Development Partnership: Addressing STIs through innovation Challenges for STI control and new technology and strategies to overcome those challenges. - <b>Satellite Symposia</b>
10:45 - 11:25	500 Capacity Room	JOHNSON & JOHNSON : Johnson and Johnson Global Public Health. - <b>Satellite Symposia</b>
10:45 - 11:25	600 Capacity Room	IAS AND WHO: Differentiated service delivery for HIV treatment: Updated WHO recommendations and implementation in Africa. - <b>Satellite Symposia</b>
11:35 - 12:15	100 Capacity Room	GeorgeTown University: The HIV Policy Lab: Examining How National Laws/Policies Impact the Global AIDS Response. - <b>Special Session</b>
11:35 - 12:15	300 Capacity Room	HIGH LEVEL MEETING (UNAIDS contribution to RATESA and ESA commitment). - <b>Satellite Symposia</b>
11:35 - 12:15	500 Capacity Room	WHO: Ending AIDS by 2030 by full integration with the Cervical Cancer Elimination Initiative- (CCEI). - <b>Satellite Symposia</b>
11:35 - 12:15	600 Capacity Room	CHOICE Collaboration: Pathway to PrEP: Expanding Access to HIV Prevention Options for Adolescent Girls and Young Women in Kenya through Integration with Family Planning Services. - <b>Satellite Symposia</b>
12:25 - 13:10	100 Capacity Room	BHPF Pre-Conference
12:25 - 13:10	300 Capacity Room	HIGH LEVEL MEETING UNAIDS contribution to RATESA and ESA commitment) to RATESA and ESA commitment). - <b>Satellite Symposia</b>
12:25 - 13:10	500 Capacity Room	Abbott: Towards Universal Healthcare coverage through Diagnostics testing integration - <b>Satellite Symposia</b>
12:25 - 13:10	600 Capacity Room	PROMISE Collaboration: Meet the Ring: Product overview and provider/user perspectives on the dapivirine vaginal ring - <b>Satellite Symposia</b>
13:20 - 14:05	100 Capacity Room	BHPF Pre-Conference
13:20 - 14:05	300 Capacity Room	IAPAC: Analyzing the Quality of Care provided to people living with HIV in selected Fast-Track Cities
13:20 - 14:05	500 Capacity Room	ABBOTT
13:20 - :14:05	600 Capacity Room	PROMISE Collaboration: Launching PrEP-it 2.0 – a multi-functional online tool for planning, monitoring, and evaluation of all forms of PrEP. - <b>Satellite Symposia</b>
14:15 - :15:00	100 Capacity Room	BHPF Pre-Conference. - <b>Satellite Symposia</b>
14:15 - 15:00	300 Capacity Room	Medicines Patent Pool: COVID-19 - Strengthening Africa's vaccine manufacturing capacity through the South African mRNA technology transfer hub - <b>Satellite Symposia</b>
14:15 - 15:00	500 Capacity Room	Final Mile - <b>Satellite Symposia</b>
14:15 - 15:00	600 Capacity Room	PROMISE Collaboration: The Dapivirine Vaginal Ring: national planning experience from three countries - <b>Satellite Symposia</b>
16:12 - 17:12	Plenary Room	Opening Ceremony
<b>TUESDAY, 7 DECEMBER, 2021</b>		
08:45 - 09:30	100 Capacity Room	Global Network of Young people living with HIV
08:45 - 09:30	300 Capacity Room	Chemonics International
08:45 - 09:30	500 Capacity Room	OMEGA DIAGNOSTICS: Advanced HIV Disease: Improving access to same-day CD4 testing, from laboratory to community
08:45 - 09:30	600 Capacity Room	Abbott Rapid Dx International Limited. <b>Satellite Symposia</b>

09:45 -10:00	Plenary Room	To build, strengthen and invest in Africa's scientific capacity and manufacturing of vaccines, diagnostics and therapeutics. <b>Dr. Malebona Precious Matsoso (South Africa)</b>
10:00 - 10:15	Plenary Room	Sustaining the gains during COVID-19 <b>Dr. Matshidiso Moeti (Botswana)</b>
10:15 - 10:30	Plenary Room	Epidemic Control in Africa: Response from the Diaspora. <b>Ms. Doreen Moraa Moracha (Kenya)</b>
10:42 - 11:27	Plenary Room	WHO: WHO New consolidated HIV prevention and treatment guidelines. - <b>Satellite Symposia</b>
10:42 - 11:27	100 Capacity Room	A1 - Drug Development & Resistance. <b>Abstract Driven Session</b>
10:42 - 11:27	300 Capacity Room	No Prevention, No End. Taking the lead in implementing the 2025 HIV Roadmap - <b>Non Abstract Driven Session</b>
10:42 - 11:27	500 Capacity Room	Drug Policy Reform in Africa: a core component to achieving the SDG targets. <b>Non Abstract Driven Session</b>
10:42 - 11:27	600 Capacity Room	E2 - Technology. - <b>Abstract Driven Session</b>
11:39 - 12:24	Plenary Room	How to write an Abstract. - <b>Workshop</b>
11:39 - 12:24	100 Capacity Room	Break/Poster Exhibition
11:39 - 12:24	300 Capacity Room	Break/Poster Exhibition
11:39 - 12:24	500 Capacity Room	Break/Poster Exhibition
11:39 - 12:24	600 Capacity Room	Break/Poster Exhibition
12:36 - 13:21	Plenary Room	Solthis-Projet ATLAS: Au-delà de populations clés : la distribution secondaire de kits d'autodépistage du VIH en Afrique de l'Ouest Beyond key populations: secondary distribution of HIVST kits in West Africa. - <b>Satellite Symposia</b>
12:36 - 13:21	100 Capacity Room	Leading the fight back for HIV prevention. <b>Non Abstract Driven Session</b>
12:36 - 13:21	300 Capacity Room	E3 - Socio Economics. - <b>Abstract Driven Session</b>
12:36 - 13:21	500 Capacity Room	Frontline AIDS: A new Partnership Approach <b>Satellite Symposia</b>
12:36 - 13:21	600 Capacity Room	The Key Role of the Faith Sector Leadership in the HIV response in Africa. - <b>Special Session</b>
13:33 - 14:18	Plenary Room	WHO: WHO Guidelines for the management of symptomatic STIs. - <b>Satellite Symposia</b>
13:33 - 14:18	100 Capacity Room	Countering the Opposition to Comprehensive Sexuality Education: Perspectives from Africa. - <b>Non-Abstract Driven Session</b>
13:33 - 14:18	300 Capacity Room	Implementing the New Global AIDS Strategy 2021-2026: the importance of a resilient Primary Health Care.- <b>Non-Abstract Driven Session</b>
13:33 - 14:18	500 Capacity Room	A2 - Host Genetics, Immunology & Co-Infections. - <b>Abstract Driven Session</b>
13:33 - 14:18	600 Capacity Room	WomenLift Health: What Women Know and Want: A gendered approach to realizing an AIDS free Africa. - <b>Satellite Symposia</b>
14:30 - 15:15	Plenary Room	WHO: Impact of COVID-19 on HIV, STI and other health services. - <b>Satellite Symposia</b>
14:30 - 15:15	100 Capacity Room	A3 - Diagnostics tools development. - <b>Abstract Driven Session</b>
14:30 - 15:15	300 Capacity Room	E6 - Differentiated Service Delivery. - <b>Abstract Driven Session</b>
14:30 - 15:15	500 Capacity Room	HIV and COVID 19: Challenges in Africa. <b>Special Session</b>
14:30 - 15:15	600 Capacity Room	WHO: Aligning countries' response to reduce inequalities, improve equitable access and quality of HIV, viral Hepatitis and STI services to key populations. <b>Satellite Symposia</b>
15:27 - 16:12	Plenary Room	UNAIDS RESERVED - <b>Satellite Symposia</b>
15:27 - 16:12	100 Capacity Room	HIGH LEVEL MEETING SAA & ACCOUNTABILITY INTERNATIONAL: MIND THE GAP AFRICAN HIV FINANCING SCORECARD. - <b>Satellite Symposia</b>
15:27 - 16:12	300 Capacity Room	HIGH LEVEL MEETING (UNAIDS contribution to RATESA and ESA commitment). <b>Satellite Symposia</b>
15:27 - 16:12	500 Capacity Room	WHO/SAA: Technology transfer hubs for boosting local production of medical products in Africa. <b>Satellite Symposia</b>

15:27 - 16:12	600 Capacity Room	VIIV HEALTHCARE: Partnering for Progress in Paediatric HIV. - <b>Satellite Symposia</b>
<b>WEDNESDAY, 8 DECEMBER, 2021</b>		
08:45 - 09:30	100 Capacity Room	Southern Africa Litigation Centre: Breastfeeding, HIV and the law'. - <b>Satellite Symposia</b>
08:45 - 09:30	300 Capacity Room	CEPHEID: Patient centered diagnostics. - <b>Satellite Symposia</b>
08:45 - 09:30	500 Capacity Room	OraSure: Accelerate and expand HIV screening/testing with OraQuick HIV Self-Test. - <b>Satellite Symposia</b>
08:45 - 09:30	600 Capacity Room	Abbott Rapid Dx International Limited. - <b>Satellite Symposia</b>
09:45 - 10:00	Plenary Room	Africa leadership to take to lead in ending AIDS in Africa: Abuja Declaration: where we are? - <b>Hon. Dr. Joe Phaahla (South Africa)</b>
10:00 - 10:15	Plenary Room	Management of COVID 19 in Africa: Impact & Way forward. - <b>Dr. John Nkengasong (Cameroon)</b>
10:15 - 10:30	Plenary Room	HIV prevention is everyone's Business: The pathway to stemming new infections in Africa. - <b>Dr. Natalia Kanem (Panama)</b>
10:42 - 11:27	Plenary Room	HIV Prevention, Treatment and Care among People Who Use Drugs and People in Prison in Africa. - <b>Special Session</b>
10:42 - 11:27	100 Capacity Room	2021 Political Declaration on AIDS – how to accelerate implementation. - <b>Special Session</b>
10:42 - 11:27	300 Capacity Room	C5 - COVID-19. - <b>Abstract Driven Session</b>
10:42 - 11:27	500 Capacity Room	C1 - COVID-19. - <b>Abstract Driven Session</b>
10:42 - 11:27	600 Capacity Room	WHO: L'annonce du VIH/sida aux enfants et aux adolescents : Bonnes pratiques et défis dans les pays francophones d'Afrique de l'Ouest et du Centre. - <b>Satellite Symposia</b>
11:39 - 12:24	Plenary Room	The Global Fund to Fight AIDS, Tuberculosis and Malaria: The Global Fund: 20 years later: A forward-looking dialogue on the fight against HIV, tuberculosis and malaria and the challenges that lay ahead. - <b>Satellite Symposia</b>
11:39 - 12:24	100 Capacity Room	Break/Poster Exhibition
11:39 - 12:24	300 Capacity Room	Break/Poster Exhibition
11:39 - 12:24	500 Capacity Room	Break/Poster Exhibition
11:39 - 12:24	600 Capacity Room	Break/Poster Exhibition
12:36 - 13:21	Plenary Room	D5 - Innovation, Adolescents, Young People and HIV. - <b>Abstract Driven Session</b>
12:36 - 13:21	100 Capacity Room	Impact of COVID-19 on the TB/HIV response. - <b>Special Session</b>
12:36 - 13:21	300 Capacity Room	PSI: Beyond Reaching the first 95: HIV Self-Testing, new experiences from the Unitaid STAR Project. - <b>Satellite Symposia</b>
12:36 - 13:21	500 Capacity Room	HIV programming during COVID-19: Sustaining the gains and building back better for women, children and adolescents. - <b>Workshop</b>
12:36 - 13:21	600 Capacity Room	COVID-19 Management: South Africa, East Africa, West Africa. - <b>Special Session</b>
13:33 - 14:18	Plenary Room	WHO: Towards Elimination of Mother-To-Child Transmission of HIV, syphilis and viral Hepatitis B: African case studies and validation of 'Triple Elimination. - <b>Satellite Symposia</b>
13:33 - 14:18	100 Capacity Room	B2 - COVID -19 & HIV - <b>Abstract Driven Session</b>
13:33 - 14:18	300 Capacity Room	COVID-19 Management: EMRO Region, Egypt, Central Africa. - <b>Special Session</b>
13:33 - 14:18	500 Capacity Room	COVID-19 vaccination in HIV infected patients. - <b>Special Session</b>
13:33 - 14:18	600 Capacity Room	Towards elimination of mother to child transmission of HIV, syphilis and certification of 'Path to Elimination'. <b>Workshop</b>
14:30 - 15:15	Plenary Room	WHO: Progress towards implementation of Africa Regional Action Plan for Preventing and Responding to HIV Drug Resistance 2019 – 2023. - <b>Satellite Symposia</b>
14:30 - 15:15	100 Capacity Room	Progress on the COVID-19 vaccine rollout in South Africa (Challenges, Successes and Lessons Learned). - <b>Special Session</b>

14:30 - 15:15	300 Capacity Room	Rapid Tests/Auto tests: HIV & COVID-19. - <b>Special Session</b>
14:30 - 15:15	500 Capacity Room	E5 - COVID 19 & HIV. - <b>Abstract Driven Session</b>
14:30 - 15:15	600 Capacity Room	D4 - The Challenge of maximizing food quality & life during colliding pandemics. - <b>Abstract Driven Session</b>
15:27 - 16:12	Plenary Room	UNAIDS RESERVED - <b>Satellite Symposia</b>
15:27 - 16:12	100 Capacity Room	UNFPA: Integrating SRHR and HIV lessons from East and Southern Africa - <b>Satellite Symposia</b>
15:27 - 16:12	300 Capacity Room	IAS - <b>Satellite Symposia</b>
15:27 - 16:12	500 Capacity Room	WHO/SAA: A new agenda for Malaria in Africa - <b>Satellite Symposia</b>
15:27 - 16:12	600 Capacity Room	VIIV HEALTHCARE: Open discussion on HIV Prevention experience. - <b>Satellite Symposia</b>
<b>THURSDAY, 9 DECEMBER, 2021</b>		
08:45 - 09:30	100 Capacity Room	Medicines Patent Pool: Long acting technologies and HIV - <b>Satellite Symposia</b>
08:45 - 09:30	300 Capacity Room	Department of Basic Education: HIV Prevention
08:45 - 09:30	500 Capacity Room	IAS: Differentiated service delivery for HIV in Africa during COVID-19 - <b>Satellite Symposia</b>
09:45 - 10:00	Plenary Room	Political leadership and partnerships to promote and accelerate access to innovation prevention & care. - <b>H.E. Marisol Touraine (France)</b>

08:45 - 09:30	300 Capacity Room	Department of Basic Education: HIV Prevention
08:45 - 09:30	500 Capacity Room	IAS: Capacity Building - looking back and learning for the future. - <b>Satellite Symposia</b>
08:45 - 09:30	600 Capacity Room	<b>Satellite Symposia</b>
09:45 - 10:30	Plenary Room	HIV, TB & other co-infections: The journey ahead. <b>H.E. Dr. Eric Goosby (United States)</b>
10:00 - 10:15	Plenary Room	Implementing person centered Key population programming at scale. <b>Mr. Roberto Paulo (Angola)</b>
10:15 - 10:30	Plenary Room	Impact of COVID on HIV Services. <b>Mr. Daouda Diouf</b>
10:42 - 11:27	Plenary Room	PrEP in Africa: Success and challenges in Africa. - <b>Non Abstract Driven Session</b>
10:42 - 11:27	100 Capacity Room	Will the global AIDS strategy end inequalities for key populations? - <b>Special Session</b>
10:42 - 11:27	300 Capacity Room	D1 - Addressing norms and the culture of sex among African Youth. - <b>Abstract Driven Session</b>
10:42 - 11:27	500 Capacity Room	Emerging new viral infection and HIV: interactions and treatment. - <b>Non-Abstract Driven Session</b>
10:42 - 11:27	600 Capacity Room	WHO: Implementation of 2019 HIV Testing Services : From 2 test to 3 test HIV testing strategy. <b>Satellite Symposia</b>
11:39 - 12:24	100 Capacity Room	Break/Poster Exhibition
11:39 - 12:24	300 Capacity Room	Break/Poster Exhibition
11:39 - 12:24	500 Capacity Room	Break/Poster Exhibition
11:39 - 12:24	600 Capacity Room	Break/Poster Exhibition
12:36 - 13:21	Plenary Room	Addressing the needs of People who Use Drugs in achieving "AIDS free-Africa". - <b>Special Session</b>
12:36 - 13:21	100 Capacity Room	D6 - Prioritizing vulnerabilities in hard to reach populations. - <b>Abstract Driven Session</b>
12:36 - 13:21	300 Capacity Room	HIV, TB and COVID-19 co-infections. - <b>Non-Abstract Driven Session</b>
12:36 - 13:21	500 Capacity Room	C6 - SOCIAL EPIDEMIOLOGY OF HIV/EIPDEMOLOGY OF HIV CO-MORBIDITY AND EMERGING DISEASES/HIV/AIDS PREVENTION PROGRAMMES . - <b>Abstract Driven Session</b>
12:36 - 13:21	600 Capacity Room	D2 - Approche Communautaire. - <b>Abstract Driven Session</b>
13:33 - 14:18	Plenary Room	PrEP (CROSS SECTION) - <b>Abstract Driven Session</b>
13:33 - 14:18	100 Capacity Room	The Road to meeting societal enabler targets by 2026: Time to promote rights and end all forms of HIV discrimination. - <b>Non Abstract Driven Session</b>
13:33 - 14:18	300 Capacity Room	D3 - Addressing SGBV and gender inequality to respond and eradicate HIV/AIDS - <b>Abstract Driven Session</b>
13:33 - 14:18	500 Capacity Room	The use TB screening tools in TB case notifications: successes and challenges. - <b>Non-Abstract Driven Session</b>

13:33 - 14:18	600 Capacity Room	WHO: Scaling up action to end TB deaths among people living with HIV. - <b>Satellite Symposia</b>
14:30 - 15:15	100 Capacity Room	Community Intervention on HIV prevention: Experience from the Field. - <b>Special Session</b>
14:30 - 15:15	300 Capacity Room	E4 - Key Population - <b>Abstract Driven Session</b>
14:30 - 15:15	500 Capacity Room	HIV and Aging population - <b>Workshop</b>
14:30 - 15:15	600 Capacity Room	C4 - SOCIAL EPIDEMIOLOGY OF HIV & HIV/AIDS PREVENTION PROGRAMMES & DIVERSIFIED PREVENTION TOOLS - <b>Abstract Driven Session</b>
15:27 - 16:12	100 Capacity Room	UNFPA: Access to SRHR services for key populations and persons with disabilities: experience in west and Central Africa Region - <b>Satellite Symposia</b>
15:27 - 16:12	300 Capacity Room	UNICEF AND WHO: Support across the generations: Scaling up multisectoral programming for adolescent and young mothers living with HIV - <b>Satellite Symposia</b>
15:27 - 16:12	500 Capacity Room	WHO/SAA: Ending TB in West and Central Africa by 2030: Bringing high burden countries on track towards End TB strategy targets by 2025. - <b>Satellite Symposia</b>
15:27 - 16:12	600 Capacity Room	UNFPA: Using innovation and technology to accelerate HIV prevention among adolescents and young people. - <b>Satellite Symposia</b>

**SATURDAY, 11 DECEMBER, 2021**

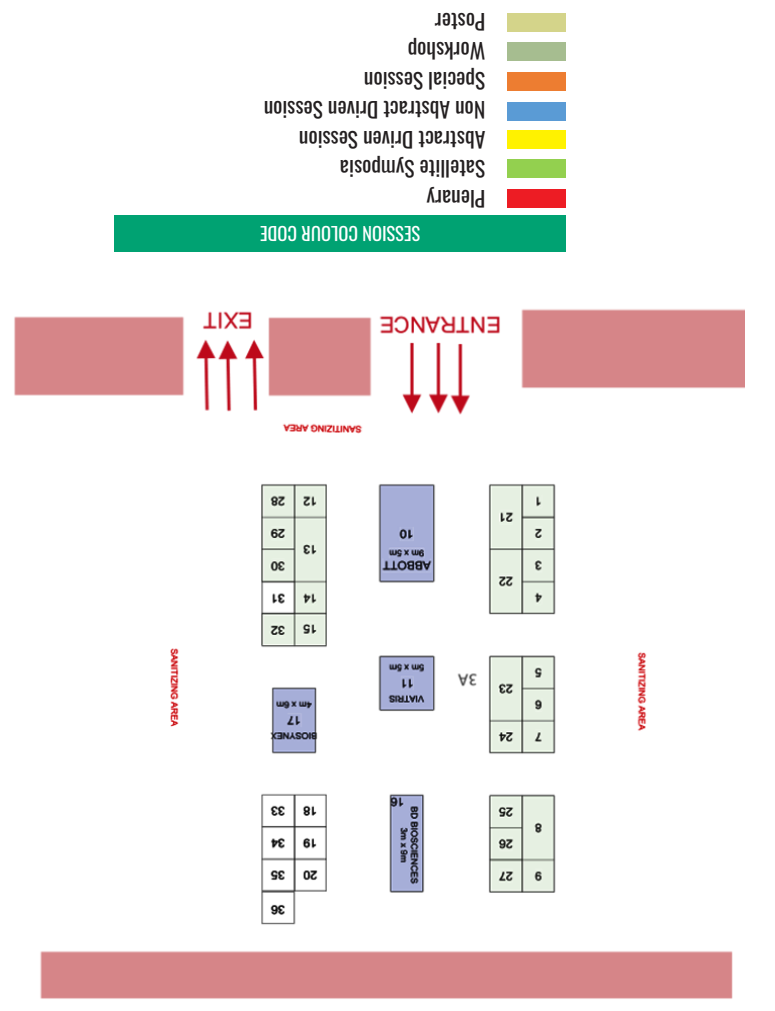

08:45 - 09:30	100 Capacity Room	Positive Young Women Voices: Young Women and Girls Leadership. <b>Satellite Symposia</b>
09:45 - 10:30	Plenary Room	Adolescent girls, young women & men: Key to achieving the end of AIDS in Africa in 2030. <b>Dr. Thato Chidarikire (South Africa)</b> .
09:45 - 10:30	Plenary Room	HIV Pediatrics: how far did we relieve the burden in children and what are perspective towards 2030? <b>Dr. Chewe Luo (Zambia)</b> .
09:45 - 10:30	Plenary Room	Addressing the needs of People who Use Drugs to achieve epidemic control. <b>Mr. Richard Nininahazwe (Burundi)</b> .
10:42 - 11:27	Plenary Room	Rapporteur Session
